The GAMA office is located on the main road leading to Brussels city centre, Rue de la Loi, between Schuman roundabout and the Arts-Loi intersection. Our office is situated on the fifth floor of a building on the corner of Rue de la Loi and Rue d'Arlon, next to the [Thon Hotel EU](#) (see below). The office is conveniently located within easy walking distance of all the EU institutions, as well as the EASA Brussels office and the FAA Europe, Middle East & Africa Office.

## To/From Brussels National Zaventem Airport

Train is the quickest and least expensive option. However, taxi is also possible at a cost of +/- €60.

### By Train

The easiest option is to take a train to the station Bruxelles-Schuman. The walk from the train station to the office is 6 min long. The train fare is around €8 one-way and can be purchased at the self-service kiosks.

The airport train station is located directly under the departures and arrivals halls, at level -1. The platform is easily reached by lift or escalator.

If the train going to Bruxelles-Schuman is too long to wait for. The Gare Centrale, Gare du Midi and Gare du Nord are also good options but will require an extra trip via the metro to arrive at the office's location. Below the information about the public transport options.

The closest metro station is Maalbeek followed by Arts-Loi, Schuman and Trone a little bit further.

### By Taxi:

Follow the exit signs at the departures level to the authorised taxi line outside. Most Brussels taxis should payment by card but always verify with the driver before departure! Officially, the drivers tip is included in the metered fare.

### By car

Traffic in Brussels is notoriously bad, especially during peak times so public transport is often preferable.

**Important note:** During EU summits, several roads near the office may be closed or restricted for security reasons, so check before you depart or call the GAMA office if unsure.
