GAMA Visitor Safety Policy Protocols

GAMA follows Washington, DC mandates related to COVID-19 which currently advises businesses to follow risk-based guidance from DC Health that accounts for current health metrics and a person's vaccination status. The health, safety and comfort of the GAMA staff and visitors is a top priority and to that end, **GAMA's safety policy is that all visitors to the GAMA office are required to be vaccinated for COVID-19. Masks are not required, but encouraged for those who may be at higher risk.**

In addition, the GAMA office building at 1400 K Street NW, Washington DC requires all visitors to complete a Health Screening Questionnaire.
