The video will include interviews with WWII heroes Charles McGee, Bud Anderson, the late Bob Hoover, the late Dick Cole, “Rosie the Riveter” Connie Palacios and many more. Additionally, a special tribute will be paid to the late Jimmy Doolittle. The video will also include historical battle footage and current day footage of aircraft involved in WWII European theater battles, provided courtesy of EAA Warbirds of America’s “Warbirds in Review”. This special production is being made possible, in part, by the support and participation of the Bob and Dolores Hope Foundation and the Friends of the National World War II Memorial.
